Overthinking isn't a personality trait. It's the sneakiest form of fear. And our spiraling thoughts can cost us time, creativity, and energy. **Is it possible to control the way we think?** In this new leadership development resource ***Soundtracks***, Jon Acuff explores how to turn your thoughts into your superpower in this 6-session study. **RightNow Media is a free gift from CFC for CFC members and attenders.**

We would like to reserve the **parking spaces along the front** of both the Naubinway & Rexton Campuses for visitors and those that are less able-bodied. We want everyone to feel welcome when they join us!

If you need to borrow chairs or tables from either church campus for an event, please get approval from Kelly and she will then put you on the calendar. (For non-CFC events, she may need to get approval from the Church Council.) Please also remember to sign out the equipment when removing it from the building. **These procedures are according to the CFC Policies & Procedures Manual and to avoid any conflicts with events.**

IDEAS FOR As you know, we have been prayerfully names considering extending our Naubinway campus to the vacant former Family Dollar building. Negotiations have been positively progressing and we hope to be able to take another step forward soon.

In light of this, the B.E.T. (Building Exploratory Team) would like to invite you to help us to give the building a new name.

You can participate in this with your idea by writing it down and putting it into one of the offering boxes at either campus.

For clarification purposes, please understand that Christian Fellowship Church will remain Christian Fellowship Church and the former Family Dollar sign will reflect that. However, since the Naubinway campus will have two buildings, we want to give the former Family Dollar building a unique name.

There is a limited amount of time to submit your suggestion so please do so no later than May 9th.

Thank you!
B.E.T.
