Do you have a dream you're scared to pursue? Whether you're held back by the opinions of others, the fear of failure, or something else, bestselling author Bob Goff wants to empower you to take a leap of faith and dream big. In his new five-session series ***Dream Big***, you'll hear stories from the Bible and real-life experiences to encourage you to **rediscover the dreams God has for you and make them a reality.** RightNow Media is a free gift for our CFC Family. Please talk to Kelly if you would like an invitation.
